Receive £500 when you recommend-a-friend

If you have a friend or family member who is looking to maintain their living independence we'd be grateful for an introduction. In fact, for every person you recommend who legally completes the purchase of a Nestus Skylark, instant smart home, we'll give you £500!

Simply fill in your details and pass onto your recommended friend or family member. They should fill in their details also, and pass this voucher onto a Nestus Representative when they visit to make a site assessment. On successful legal completion we'll pay you £500.
