Nestus Monocle™ assistive furniture: overcome dementia and mobility challenges in style

The Nestus Monocle™ assistive furniture collection was conceived to help users overcome the challenges of dementia or restricted mobility, but styled for any home.

The collection has been developed in tandem with older adult groups in Edinburgh and follows the dementia guidelines from the Dementia Services Development Centre (DSDC), Stirling, to offer you a playful, quality engineered alternative to traditional utilitarian 'dementia' furniture.

Together the pieces are designed to maximise your storage space without compromising living space in your Nestus Care Cottage™ and the modular form allows the pieces to be installed, arranged and re-arranged in infinite possibilities.

Pieces can be purchased individually (min 5 pieces), per room or for an entire home and custom coloured to suit your tastes at no extra cost. Room packs are tailored to different Nestus Care Cottage™ sizes for fully mobile or wheelchair users. For best value choose a complete cottage pack.

DESIGN FEATURES

Robust construction to support dynamic loads up to 30kg.

High contrast coloured interiors to enhance view of stored items and trigger memory.

Integrated top rim to aid pick-up and prevent objects being accidentally knocked off.

Drawer and door cut-throughs to provide quick overview of stored items and easy opening even with arthritic fingers.

Rounded corners reduce chance of injury.

Featherlight opening doors and drawers with soft close, all metal, Austrian engineered hardware.

Modular, adaptable installation system for limitless layout options.

Wipe clean, easy to sterilise materials.

TECHNICAL SPECIFICATION

MATERIAL	<ul style="list-style-type: none"> 18mm engineered cross-laminated ply in Birch or Cherry. Contrast coloured sections matt laminate (see colours).
HARDWARE	<ul style="list-style-type: none"> Drawers: Blum Tandem - Austrian engineered, feather-light guide steel drawer sliders, with soft close function. Supporting 30kg in dynamic load. Doors: Blum Bluemotion, all metal hinges with soft-close function and 110 degree opening.
FITTING	<ul style="list-style-type: none"> Cabinets and shelves are wall mounted by our team during installation inline with your preferences, using rock-solid wall anchors. The cost of fitting is included in the price for each room installation. Ongoing units can be easily moved and refitted into a new position by a family member or our services team.

COLOURS

We offer 3 standard, matt colour palettes, which can be teamed with either our natural birch or cherry-stained timber carcasses:

- **Neutral:** White or Black highlight colours
- **Warm:** Orange, Yellow & White highlight colours
- **Cool:** Blue, Green & White highlight colours

Alternatively, if you have a particular colour you'd like, we can customise your furniture with any shade from the RAL colour range for a small additional fee. We can help you pick them in person from a colour swatch booklet.

SIZE

- See dimensions against each piece.
